- 5. Final decisions will be made by the Awards Committee**
- 6. Winners will be honored at the annual KCEA Fall Conference**

Failure to follow these rules will adversely affect the consideration of the nomination.

KCEA 2009 AWARDS

- **Distinguished Service**
Presented to an individual who has exemplified, promoted and supported the community education concept and philosophy in the nation.
Minimum requirement: at least five years of outstanding leadership in community education.
- **Professional Service-Community –State Level**
Presented to a community education professional who has exemplified outstanding community-or state-level leadership in the development of community education.
Minimum requirement: three years of service in the person's current position and demonstrated leadership in community education.
- **Citizen Leadership-Community Level**
Presented to a citizen volunteer who has provided leadership and rendered exemplary support and service in the development of community education in the community.
Minimum requirement: one year of demonstrated involvement.
- **Outstanding Organization-Local or State Level**
Presented to an agency, organization, or institution that has exemplified support and service in the development of community education. The organization may be nominated for ongoing support or for a one-time innovative program or project.
Minimum requirement: one year of demonstrated involvement.
- **Multicultural Leadership and Involvement-Local, State, or National Level**
Presented to an agency, organization, institution or individual who has demonstrated a commitment to promoting, developing and nurturing leadership opportunities in community education for persons of diverse ethnic and/or cultural backgrounds.
Minimum requirement: one year of demonstrated involvement
- **State Association Leadership**
Presented to an individual member of a state community education association who has had a significant impact on community education at both the state and national levels.
- **Youth Leadership-Community Level**
Presented to a high school junior or senior or college undergraduate who has provided outstanding service and leadership to his or her local community through service/service learning activities through schools, agencies, community groups or religious organizations.
Minimum requirement: a sustained commitment of at least 100 hours per year.
- **Outstanding Contribution to State legislation-State Level**
Presented to an individual who has demonstrated leadership, persistence, and exemplary advocacy in the promotion and pursuit of Community Education legislation at the state government level.
Minimum requirement: one year of significant involvement
- **Outstanding After School Program-Local Level**
Presented to an after-school program (either school-based or community based) that demonstrates outstanding service to the children and the community by offering a safe, nurturing, and stimulation environment for those being served. The outstanding program should: offer a wide variety of activities; offer activities that expand on and enrich the school day curriculum; tailor offerings to the age and needs of the children; use a fun, hands-on approach to learning; and feature a caring and consistent relationship between the children and program.
Minimum requirement: one year of demonstrated involvement.
- **STAR Awards-Local Level**
Presented to Community Education Program for the What Works turned in to KDE.
