Dear Colleague,

Mark your calendars! June is just around the corner, and that means the 2010 American Bank & Trust/BG Kiwanis Club Stand for Children Day is quickly approaching. This year's date: Wednesday, June 9th, 9:00 – 11:30 a.m. (Rain date is Thursday.) We will be back on the South Lawn at WKU. SO: let's get ready to party and celebrate this great community we live in!

This is year #13, and big plans are underway. We're in the process of working on terrific prizes for the children, great entertainment, and lots of other surprises. We'll have music, games, entertainment, and much more.

Again this year, in response to the economic crisis facing the nation and the community, we ask that everyone please bring canned food, which will be donated to area food banks and charities to help restock the shelves. We will also encourage the public that they, too, can help by bringing non-perishable food items that day. Thanks for helping to support this great cause.

You may also bring children's books for the annual Community Education/Kiwanis Club book drive. Each year the books are given to children's groups in need of reading material. This is part of our ongoing mission to provide literacy opportunities throughout the community.

One comment we heard last year was that there didn't seem to be as many hands-on activities for the children as in previous years. We've been trying to think of lots of activities that are vendor-friendly and also occupy lots of children at one time. Try to think of things that go on at Fall Festivals or other school carnivals. That's the type of thing that goes over well and can be easy to provide.

Snacks and drinks will be provided throughout the event, thanks to our supporters and sponsors. Tables and a couple of chairs are furnished by our wonderful partner, WKU. We do NOT have tents, but you are allowed to put up your own small canopy or pop up tent. We are NOT allowed to drive stakes into the ground, due to the irrigation system. *(Vendors without tents will be allowed to set up in the shaded areas. Those with tents will set up along sidewalks and in open areas.)*

We look forward to seeing you June 9th. We'll be ready for you to set up by 7:30 or 8:00 a.m.

Sincerely,

Stand for Children Committee
