Dear volunteer or volunteer manager:

Volunteers in Action (VIA) has been organizing workshops for volunteer managers, participating in various service and community projects and recognizing volunteers for their service for more than 23 years.

To become a part of VIA, we ask you to please submit the enclosed form with your organization's dues for membership.

When you join VIA, you will be part of our new PR push for volunteer organizations. You will be included in all of our media spots when we promote volunteerism, be allowed to post events and needs on our Facebook page and be given a discount when submitting nominations for the VIA Awards at our annual volunteer reception in the spring. You will be entered into the VIA membership database, receive our emails, be able to send event notifications on the Facebook page and to our membership and be notified of our meetings.

Membership dues are \$15 per year, per organization or individual. Individual members are welcome to be part of the group and join us for meetings and projects.

Thank you for continued support of Volunteers in Action. This organization is proud to be able to help volunteer managers from across our region network and learn from each other as we promote volunteerism within our communities.

Sincerely,

Volunteers in Action Steering Committee

The mission of Volunteers in Action is:

- To recognize, publicize and create public awareness of volunteers and volunteer managers.
- To educate the public and business community of the importance of volunteerism in our community.
- To offer support and endorsement to volunteer groups throughout the community.
