

February 5, 2019

Dear Potential Sponsor,

Community Education's 22nd annual Stand for Children Day is just around the corner. The event, which raises awareness about the needs of and services available for the children and families of Bowling Green and Warren County, will take place at the Bowling Green Ballpark on June 18 (rain date June 19). We're excited to be back at the ballpark – it offers good visibility, ample parking, easy unloading for vendors, a grassy outfield for children's activities, and more. Fifty vendors and 1,100 attendees participated in last year's Stand for Children Day. We hope to top those numbers this year!

I invite you to assist in sponsoring the event with a tax-deductible monetary donation. Your donation would help support our efforts to provide a fun, safe day of activities for children and an informational outlet for parents and caregivers.

We also invite you to have a children's activity tent at Stand for Children Day. At Stand, children enter the ballpark and can get their faces painted, play corn hole and ring toss, etc. The providers of activity tents also can give out information to parents and caregivers about themselves and the services they provide. Let me know if that interests you.

Community Education truly values our partnership with and the support given by area businesses and organizations in our efforts to draw attention to children's issues. I appreciate your time and consideration in this matter. Please do not hesitate to contact me if you have any questions.

NOTE: Stand for Children Day is a service and celebration offered to the citizens of our area. Sponsorships help defray the cost of the event.

Sincerely,

Joshua Smith
