

2026

Dear Potential Sponsor,

I am excited to share that Community Education will be hosting the **28th Annual Stand for Children Day**, a long-standing community tradition that brings together children, families, and local resources in a fun, welcoming, and informative environment.

This year's event will take place at the **Bowling Green Ballpark** on **Wednesday, June 17, from 9–11 a.m.** (rain date: June 18). Last year's event welcomed more than 50 community vendors and over 850 attendees, all coming together to celebrate children and connect families with vital services available throughout the Bowling Green–Warren County area.

We invite you to be part of this meaningful day by becoming a Stand for Children Day sponsor. Your tax-deductible contribution directly supports our ability to offer this event at no cost to families, ensuring an inclusive, safe, and engaging experience for all who attend.

**Sponsorship benefits include:**

- Helping provide a free, high-quality community event for children and families
- Recognition of your business or organization on event materials and throughout the day
- An invitation to host a vendor booth, allowing you to engage with families, share information about your services, and offer activities or giveaways

By partnering with us, your organization will play an important role in strengthening our community and demonstrating a shared commitment to the well-being of children and families. Community Education deeply values the support of our local businesses and organizations, and your sponsorship helps ensure the continued success of this beloved event.

If you are interested in sponsoring Stand for Children Day or would like additional information, please feel free to reach out. We would be honored to partner with you and make this year's event the best yet.

Thank you for your time, consideration, and continued support of our community.

Warm regards,

*Joshua Smith*

Joshua Smith,  
**Interim Director**
